V 48

As is always the case with Princess, personal choice is paramount. And so with the flexible V48 sports yacht, there's the option for an open design with a full-length cockpit and sunroof, or the enclosed deck saloon model, available with the option of a climate controlled interior. Either way, you're assured supreme exhilaration with up to 34 knots at your fingertips.

Comme toujours avec Princess, votre choix personnel est primordial. C'est le cas pour le spacieux et somptueux V48, qui offre l'option d'un plan ouvert, avec cockpit sur toute la longueur et toit ouvrant, ou bien comme modèle avec salon de pont fermé et climatisé. Quel que soit votre choix, vous êtes assuré de vivre des sensations enivrantes, avec jusqu'à 34 nœuds de puissance au bout des doigts.

Wie es immer bei Princess der Fall ist, haben persönliche Vorzüge die Priorität. Dies ist auch bei der geräumigen und noblen V48 der Fall, die zudem optimal ein offenes Deckdesign mit Cockpit über die gesamte Länge und Schiebedach bietet. Oder alternativ das Modell mit überdachtem Salondeck und klimatisiertem Innenraum. Für welches Modell Sie sich auch entscheiden, Sie können davon ausgehen, dass Sie bei bis zu 34 Knoten Geschwindigkeit in den Rausch höchsten Fahrgenusses kommen werden.

E, come sempre accade sugli yacht Princess, la scelta personale è fondamentale. Il lussuoso e spazioso V48 offre la possibilità di un design aperto con pozzetto a lunghezza completa e tetto apribile. In alternativa, è possibile optare per il modello con salone chiuso sul ponte e interni climatizzati. Ad ogni modo, potete stare certi che con 34 nodi a disposizione l'esaltazione suprema sarà a portata di mano.

Для компании Princess личный выбор владельца яхты — вопрос первостепенной важности. Также и со спортивной V48, которая предлагается в открытом исполнении с объединёнными салоном и кокпитом и большим люком в крыше или с закрытым салоном, который позволяет регулировать климат интерьера. Так или иначе, в Ваших руках окажется высшее наслаждение, летающее с максимальной скоростью в 34 узла.

Innovative flexibility continues into the beautiful lower deck saloon which can either be an entertaining space or converted to provide additional berths. There is the added option of specifying this area with an inviting third cabin. The master stateroom is a beautifully appointed sanctuary whilst the forward guest cabin enjoys the option of scissor berths and oval ports.

Le superbe salon du pont inférieur, qui peut être soit un espace de réception, soit une troisième cabine accueillante, est aussi un exemple de flexibilité et d'innovation. La cabine du propriétaire est un sanctuaire magnifiquement aménagé et la cabine avant pour les invités est équipée en option de deux couchettes disposées en biais et de hublots ovales pour que la lumière tienne compagnie à vos invités lors de leur séjour.

Die innovative Flexibilität wird in dem wunderschönen Unterdecksalon fortgeführt, der entweder als ein Unterhaltungsraum oder als eine einladende dritte Kabine genutzt werden kann. Die Master-Kabine ist ein wunderbar ausgestattetes Kleinod, während die vorderen Gäste-Kabinen optionale Scheren-Kojen und ovale Bullaugen haben, durch die das Tageslicht in die Kabinen eindringt.

La flessibilità innovativa continua nel bellissimo salone sul ponte inferiore che può essere uno spazio d'intrattenimento o un'invitante terza cabina. La cabina armatoriale è un santuario splendidamente arredato, mentre la cabina di prua è provvista di letti singoli standard convertibili in matrimoniale e oblò ovali per fare in modo che la luce naturale accompagni gli ospiti durante il loro soggiorno.

Иновационная гибкость продолжается в её роскошном салоне, который может быть прекрасным местом для отдыха или превратиться при желании в третью каюту. Мастер-каюта станет Вашим любимым местом, а гости в передней каюте могут насладиться опцией сдвигаемых кроватей и большими иллюминаторами, обеспечивающими дневной свет на протяжении всего пребывания на борту.
